

Standard Equipment Continued

Trunk Cabin

1" insulated overhead with headliner
 1" insulated cabin sides with headliner
 2" hull insulation with hull liners
 Welded aluminum floor with bilge access opening
 Sound absorbing cabin matting, optional
 Access into auxiliary machinery space on 32'-65' models
 Companionway stairs
 Companionway handrail (1)
 Aft bulkhead wire way (for dash access)
 Wire way access hatches (2)
 Optional overhead escape hatch (20" x 20") and side ports; both available with screens

Lighting

Side lights, Aqua Signal 41 series or equal.
 360° anchor/navigation light mounted on folding mast

Compartment lighting:

Auxiliary machinery space (1)
 Engine room: 28' - (1)
 32' - (2)
 36'-65' - (3)

Lazarette (1)
 Dash pod dome light (red/white)
 Overhead dome light, red/white combination:
 28'-32' (2); 36'-65' (4)
 Interior console light (1)

Bilge

High capacity bilge pumps with auto/manual feature:
 28' - 1 - 3700 GPH pump
 32' - 2 - 3700 GPH pumps
 36'-65' - 3 - 3700 GPH pumps

Deck Hardware

Cleats, heavy duty, stainless steel through bolted with back-up plates - optional
 28'-32' - 8-12" cleats
 36'-65' - 8-15" cleats
 3 Heavy duty, single post mooring bitts

Steering

Teleflex Sea Star hydraulic with flat dish stainless wheel (tilt helm optional)

36' Dauntless Crew Boat

30' Dauntless For Harbor Patrol

Navigational Aids

Windshield wipers with pantographic arms - 2 (washer optional)
 Roof-mounted 7" manual searchlight
 Electric twin trumpet horn

Rails

High pattern stern deck rails (two tier)
 Bow rails; select inboard or outboard rail system

Steering

12-Volt D.C. electrical system
 14-Gang breaker switch panel, complete with 50 amp, main breaker, dimmer switch, horn button, and L.E.D. "On" lights

Standard Equipment Continued

Paint And Finish

Hull painted light gray (bottom paint, boot stripe and lettering optional)
 Decks - slip resistant gray
 Cabin and pilot house light gray
 Trunk cabin roof painted slip resistant gray
 Rails forward of driver flat black
 Rails on house to match house color
 Rails on hull to match hull color
 Masts of any configuration - satin black
 Window frames - black
 Black dash surface and forward window posts
 Bulkhead door matches cabin paint
 Epoxy primer
 Paint polyurethane; other grades available at extra cost
 Optional color schemes available
 Hull anodes:
 28'-32' - (2) - 5 lbs.
 36'-42' - (4) - 5 lbs.
 44'-65' - (6) - 5 lbs.

Propulsion Options

Outboard: Single or twin
 Stern Drive: Gas or diesel
 Jet Drive: Gas or diesel
 Inboard: Gas or diesel

Dauntless Class

Standard Equipment

Hull Structures

Variable deadrise bottom; 20° at transom, continuously twisting to 50° at bow.

Lifting strakes - 2 per side

Wide Chines

Radiused bow section

4 W.T. compartments, 36'-65' Models

3 W.T. compartments, 28'-32' Models
(W.T. within 6" of sheerline or cockpit floor, whichever is less)

Bulkhead drainage valves

Welded aluminum cabin floor and pilot house floor

Heavy duty "D" rub rail

Radiused transom and transom corners

Cambered decks

Rigging tube from dash to engine room

Wire tube from dash to fore peak

Wire tube from dash to lazarette

Sacrificial hull anodes

1-year Parts and Structure Limited Warranty

10-year Hull Puncture Limited Warranty

Hatches and Closures

Engine access hatches with heavy duty hinges, gas shocks and safety latch, for 32'-65' models

Engine room personnel access hatch and engine room ladder, 32'-65' models

Cabin floor access cover for bilge inspection

Auxiliary machinery space service access

Aluminum walking flats in:

- Engine space in 28'-65'
- Auxiliary machinery space in 32'-65'
- Lazarette/steering gear space in 32'-65' (Optional)

40' Dauntless for Law Enforcement

All Dauntless Models Feature Wide Chines, Lifting Strakes And Flared Bows

40' Dauntless For Patrol

Fuel System

Complete with electric sender and gauge, drain plug, withdrawal fittings and shut-off valves (one per engine).

Tank size:

28'	100 gallons
32'	200 gallons
36'-42'	250 gallons
44'-48'	300 gallons
50-55'	400 gallons
60-65'	400 gallons

Optional larger tankage available.

Underwater Gear For Inboard Models

Air Foil shaped struts (skegs optional)

Closed shaft logs (exposed shafts optional)

Stainless steel wedge-shaped rudders with positive stops

Heavy duty rudder post framing tied to bottom and transom

Stainless steel adjustable rudder tie bar

Stainless steel shafts (Aquamet 17) sized to suit (w/ engine installation)

Propellers - Bronze standard (w/ engine installation)

Standard Equipment Continued

Pilot House

2 – tempered safety plate clear front windows (1/4" on 28' and 32', and 3/8" on 36' to 65' models)

2 – 1/4" safety glass clear sliding side windows

2 – 1/4" safety glass tinted fixed side windows

2 – 1/4" safety glass tinted fixed aft bulkhead windows

Insulated bulkhead door with dogs, padlock hasp and window

Window screens, and additional tinting optional

2" insulated overhead with headliner

1" insulated house side walls (roof to floor) with side liners

1" insulated aft bulkhead with liner

Welded aluminum pilothouse floor

Overhead radio box

Upholstered pilot and companion seats with slides and arms (2)

Seat boxes, welded aluminum with open-faced storage (2)

Seat foot rests port and starboard, folding

Welded aluminum dash and bulkhead complete with companionway opening and high profile instrument pod

Overhead wire way with access panel

Window post wire ways (3)

Rails

Overhead handrails (2)

Port dash handrail (1)

Aft bulkhead door rails (2)

P/S cabin exterior side rails (2)

Exterior aft house rails (2)

Medium duty folding light mast with halyard cleat

Optional heavy duty folding mast with radar, crosstrees and bracket mounts

42' Dauntless Pilot Boat

40' Dauntless For Coastal Patrol

32' Dauntless For Marine Mammal Support
